Die Maus - The mouse

I go into the cellar.
Suddenly, I see the mouse.
On a box.

9

It is already gone again.

10

That way I cannot help it.
I wait on the stairs and
think. Then I have an idea.

11

I put a plank from the
box to the window.
I open the window.

12

Then I get some
bread from mum.
I cut it into small pieces.

13

I put the bread on the plank.
If the mouse will
find its way?

14

In the morning I go back
into the cellar. The bread
on the plank is gone.

15

The mouse is not in the trap.
It is free. I am happy.
